

ISI Inspection Report 2014

Trinity School

“The school is highly successful in meeting its aims and fulfilling its central mission, the rigorous pursuit of excellence balanced by compassionate concern for individuals.”

“Pupils demonstrate excellent learning qualities. They are receptive, articulate and highly motivated.”

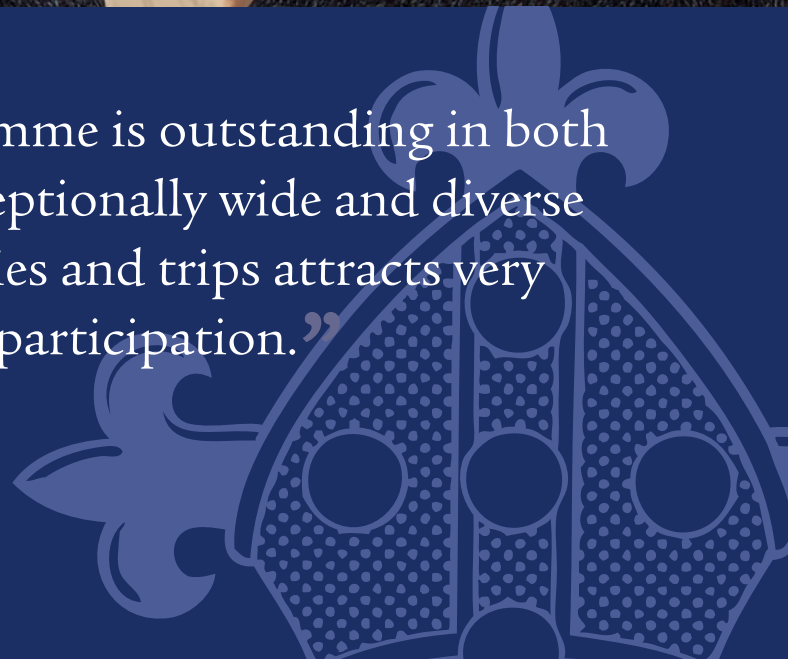

“Teachers have high expectations of their pupils, leading to enthusiastic responses in lessons and high academic aspirations.”

“Performance in music, art, drama and sport is of an exceptionally high standard and is a distinctive feature of the school.”

“The extra-curricular programme is outstanding in both range and quality. The exceptionally wide and diverse selection of clubs, activities and trips attracts very high levels of participation.”

“ Parents find the school a welcoming and open community to which they readily lend their support. ”

“ Pupils’ personal development is excellent. They are friendly, happy and self-reflective and show a genuine concern and respect for their peers and staff. ”
